## INREV

We have been a proud and active member of INREV, Europe's leading platform for sharing knowledge on the non-listed real estate industry, since 2003. As one of the earliest members, we have experienced firsthand the benefits of the INREV membership, which includes access to market research, networking opportunities, and industry events. Areim is committed to INREV's goal of improving transparency, professionalism, and best practices across the sector to make the asset class more accessible and attractive to investors. We follow the INREV definitions and guidelines on fund reporting and actively participate in several seminars and training sessions each year to continuously develop our best practices and reporting methods. Leif Andersson, the founder of Areim, was one of the founding members of the organisation.
